Power Torque™ tools are manufactured to meet or exceed American National Standards Institute (ANSI) specifications for hardness and durability, and are made with the user in mind.

LIFTING

Power Torque™ hydraulic floor jacks are built with welded steel-frame construction and feature a rust resistant finish. High quality hydraulic pumps help ensure a quick lift and long service life. Power Torque™ jack stands are built with all welded steel frame construction and cast iron support arms that include a rust resistant finish for longer tool life.

POWER TOOLS

Power Torque™ offers impact wrenches, drill drivers, polishers, sanders, and grinders providing the versatility and efficiency needed for any job.

HAND TOOLS

Power Torque™ offers an extensive line of hand tools, tool organizers, and accessories including screwdrivers, pliers, breaker bars, magnet pick-up tools, wire brushes and more.

Not all products advertised are available at all stores. If an item is temporarily unavailable or in transition we will offer you a comparable product and/or priced item or a rain check. We will not issue rain checks for clearance items or items marked "While Supplies Last". All special offers have limits that apply. Items purchased up to stated limits are at coupon/offer price and thereafter at everyday low price. We reserve the right to limit quantities on all products and offers. All prices in advertisements are sale prices, unless otherwise specified, and may extend beyond the stated period. Prices are subject to stocking items only. Ad prices not applicable to special orders unless otherwise noted. Not responsible for typographical errors or omissions.
